Alma Mater

We salute thee, Alma Mater, we salute thee
with a song;

At thy feet our loyal hearts their tribute lay
We had waited for thy coming, in the dark-
ness waited long,

Ere the morning star proclaimed thy natal d

Thou hast come through tribulation, and thy
robe is clean and white!

Thou are fairer than the summer in its bloom
Thou art born unto a kingdom, and thy crown
is all of light;

Thou shalt smile away the shadow and the gloom

In thy paths the fields shall blossom and the
desert shall rejoice.

In the wilderness a living fountain spring;
For the blind shall see thy beauty, and the
deaf shall hear thy voice,

And the silent tongues their high hosannas sing

Where the rhododendron blushes on the burly
mountain's breast.

In the midland where the wild deer love to roam
Where the water-lily slumbers while the cypress
guards its rest,

Lo! thy sunny land of promise and thy home

Where the sons of Carolina taught a Nation to
be free,

And her daughters taught their brothers to
be brave;

O'er a land of peaceful plenty, from the high-
lands to the sea,

May thy banner, Alma Mater, ever wave!

Student Government Department

Student Government means all the Merediths, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The Honor System is the basis of our policy. This means that in its application to the conduct of its members each girl is to be expected to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the Faculty. As long as a student is a member of the Association it is expected that she will not only accept a personal responsibility in abiding by its laws, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of coöperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the Student Association is the real college spirit, and a loyal student spirit means not only a coöperating student organization, but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The Student Government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

3. In return for this the Bursar will give you a receipt, which you must carry with you to the Dean's office, where you will be classified.
4. Unexcused absence will entail lowering of grade. Students will arrange with their instructors about making up work missed.
5. Students will receive zeros for cutting the last recitation in subjects before a holiday, and the first day after a holiday.
6. Students may not miss class work or private lessons, or change them from one day to another, to make visits.

7. A student may not drop a subject or change her course without written permission from the Dean.

8. Students are required to take examinations in all subjects pursued during a semester.

9. Students may not take part in plays or other entertainments without the permission of the Dean. Ordinarily, permission will not be given to those who are not making grade, who have more than sixteen hours of work per week.

10. A first-year student must pass three semester hours, a second-year student six semester hours, a third- or fourth-year student nine semester hours during any given semester to be eligible for admission the next semester.

11. A first-year student must pass eighteen semester hours, all other students twenty-one semester hours, during the year in order to be eligible for admission the next year.

12. Permission to practice plays or hold meetings of any nature during study hours is granted only by the Dean of Women.

13. Students whose names appear on the delinquent list will be deprived of social privileges at the discretion of the instructors concerned and the Dean of Women.

14. For out-staying their leave, without proper excuse, or for any other irregularity in connection with week-end visits; students will be deprived of future week-end privileges, at the discretion of the Dean of Women. If it is the last week-end, the case will be acted upon by the Faculty.

15. An absence from any college duty just preceding or following a holiday will mean more than an unexcused absence, and will be acted upon by the faculty.

16. There will be a supervised study hall for underclassmen who are not making an average above D. These students may exercise no social privileges on any evening except Saturday.

REGULATIONS FOR TUTORING

1. Students may tutor only with tutors who have been approved by the Dean and the head of the department.

2. The number of hours which a tutor may have will be determined by the Dean. (Ordinarily, three hours of tutoring will count as one academic hour.)

3. Absences from tutoring lessons and unprepared will be reported and counted as if from regular class.

4. The price for tutoring lessons will be, under ordinary circumstances, thirty-five cents an hour for individual work. If there are more than one in a course the Dean and the tutor will determine the price.

MUSIC PRACTICE

1. Under all circumstances proctors will mark a student absent if she does not practice during the time assigned her.

2. Under no circumstances do proctors excuse students; therefore, do not make such

requests of them. Make these requests of the Head Proctor.

3. Under all ordinary conditions students will practice at their regular time. If any one wishes to substitute some other hour, the permission of the Head Proctor must be obtained before the change is made; *otherwise, the absence will not be excused.* Practice may not begin before 6:45 a.m.

4. When students are given the privileges of making up practice, it must be made up and so reported within three days from the time it was missed. Otherwise it will go on the College record as unexcused.

5. All students taking as much as two hours of practice are required to attend the student recitals on Thursday afternoons; any other music student not having the equivalent of fifteen hours of work a week will be required to attend. An unexcused absence from recital will count as an absence from regular practice.

6. Every absence or tardiness should be explained to the Head Proctor at once. Unless so explained, after three days such delinquency will go on the College record as unexcused.

7. Three unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing from one to two hours a day.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

LIBRARY REGULATIONS

During the College year the Library is open daily, except Sundays, from 8:30 a.m. to 6:00 p.m., and 7:00 to 10:00 p.m.

Students may borrow general books for two weeks, or for a shorter period, determined by the demand for the book. At the expiration of two weeks books may be renewed for one week, provided that they are not needed by other persons. Any book may be recalled by the librarian when needed in the Library.

Books must not be taken from the Library until they have been charged at the desk. All books taken out of the Library must be returned to one of the Library assistants or left on the desk.

A fine of two cents per day will be charged for each day that a general book is kept out overtime.

Reserved books are books that are kept in the Library for special classes. They may be taken out at 9:00 in the evening or as soon thereafter as they are not in use, and must be returned promptly when the Library opens.

A fine of ten cents an hour or fraction thereof will be charged for each hour a reserved book is kept out overtime.

Fines not paid within a week from the date the fine list is posted will be increased ten per cent for each week the fine remains unpaid.

Students are not to go to the reserve shelves, but must call at the desk for books wanted. If you know that a book is reserved, you should call for it by the author and title of the book and name the course in which it is assigned: for example, Edman's Human Traits, Sociology. Only one reserve book may be taken to use in the room at one time, because we have so few books. Do not keep a reserve book after you finish using it. Someone may be waiting for it.

Two taps of the bell indicate that all reserve books are to be returned to the desk at once. Three taps of the bell, that students are to leave the Library. The bell is tapped three times five minutes before the end of the period preceding chapel; twice at fifteen minutes before closing time, and three times five minutes before closing time. This is done in order to get the desks cleared before chapel and to get reserved books ready to go out at closing time.

Students found with missing Library books in their possession will be subject to a penalty of two demerits for the first offense, and five demerits if the offense is repeated.

Students mutilating Library books, magazines, or papers, will be penalized by the Faculty, on recommendation of the Library Committee.

Students creating disorder or disturbance in the Library will be subject to call-downs for each offense.

MOTTO

SUNDAY SCHOOL DEPARTMENT

The purpose of the Sunday School Department on the Meredith campus is threefold.

1. It seeks to create more interest in Sunday School work among the girls.

2. It aims to uphold the standards of the Southern Baptist Convention.

3. It seeks to correlate the work of the Meredith Sunday School classes in the different churches attended by the Meredith girls.

It is not the desire of the Sunday School Department to take the work from the churches, but rather to create more interest in the training school of the church.

OUR Y. W. A. AT MEREDITH

The Y. W. A. of Meredith College is just like the Y. W. A. of your home church, except that it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your college Y. W. A., be merely a transition step from the one you love in your home church.

The Y. W. A. wishes to help Meredith girls to be of greater service not only to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make her future a greater blessing, but also to the people of the world. With the coöperation of every girl and with God as our Shepherd, this will not remain a longing, but will become a reality.

We have found the circle plan very effective, since it enables us to reach each girl and enlist her in definite work.

Each Sunday night, a Vesper Service is given under the auspices of the Y. W. A., with devotional and missionary programs. Interesting mission study classes are held at a convenient time during the year, and each girl is urged to take advantage of this opportunity.

The Y. W. A. sponsors annually a pre-Christmas Bazaar. The proceeds of which go to the Lottie Moon Christmas offering. For the past five years our Meredith Y. W. A. has attained the Standard of Excellence becoming an A-1 College Y. W. A. For 1929-'30 our

tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

B. Y. P. U.

The purpose of the B. Y. P. U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B. Y. P. U. they are trained in devotion, doctrine, Bible study, and missions. Thus they come to a better understanding of denominational work, and go back to their work with added efficiency.

The General Assembly of the B. Y. P. U. Department meets at 6:30 each Wednesday night for fifteen minutes, after which each of the nine unions has its separate meeting for forty-five minutes. Thus each girl has a chance to grow individually in her own Union, and yet, all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in active work for Jesus Christ and to strive to maintain the standard of excellence.

FOREIGN SERVICE BAND

The foreign Service Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The Band has two meetings each month, to discuss current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '33 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me".

HOME SERVICE BAND

If you are planning to do Christian work of any kind in any place, we need you and you need us! We study and discuss every phase of religious activities in the Baptist denomination: Sunday School work, church work, work among foreigners and people of other races, work in the hospitals, mill districts, mountains

and industrial centers; in fact, the preservation of lives and saving of souls of all people and in all conditions.

Besides the interesting programs, discussions, and an occasional talk from a speaker outside, we carry on practical work of social service among families in the county. This is of great help in training us for future work.

The Band meets twice each month. At these meetings the problems of home mission work are taken up. No pledge is required of members.

We are eagerly awaiting the arrival of you new students and sincerely hope that many will join us in our researches and discussions. Come help us in our glorious task of bringing Christ into the lives of many of our own people who are yet unsaved!

“HINTS TO THE WISE”

Come early and avoid the rush.

The different religious organizations on our campus are uniting in welcoming you to Meredith. Look out for Meredith B. S. U. badges at the station.

Notify authorities of College if you come on a night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to Information Bureau for any information.

Those wearing the B. S. U. badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the “B-Hive.”

Ask the former students any time. They are always anxious to help you.

Bring pillow, pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girl wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The official bulletin board and the B. S. U. bulletin board in the library building are important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The Library is quiet for study. If you talk, it misses its purpose.

When you want to cook, go to kitchenette on first floor in your dormitory.

CHURCHES

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Disciples, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens the students are allowed to visit different churches of their denomination. After that they must fully decide what church they prefer to attend regularly.

THE "B-HIVE"

The "B-Hive" has a short but interesting history. In 1911 the Y. W. C. A. Store (called "Y Store") began its existence in a small box about two feet wide and four feet high. Among its limited goods were stationery, notebook paper, pencils, ink, and candy.

In 1915 the store was slightly enlarged and a few more articles were offered for sale, including cakes and a better grade of candy.

A few years later the goods were removed to an even larger place—an old room near the porch of Old East Building.

Since January, 1926 (when the College was moved to its new site), the "Y Store" has made its home in the little red house back of the chapel. Its supplies have been enlarged until almost anything can be had, from ice cream and cold drinks to fountain pens and even sugar, cocoa, and soda.

In 1927 the supervision and profits changed from the hands of the Y. W. C. A. to those of the B. S. U. (Baptist Student Union) and the name of the store was changed accordingly from "Y Store" to "B-Hive."

OTHER ORGANIZATIONS

Athletic Association

DOROTHY ROWLAND.....	<i>President</i>
BRUCE GORE.....	<i>Vice President</i>
ELIZABETH THORNTON.....	<i>Secretary</i>
VELMA WEBB.....	<i>Treasurer</i>

New girls, the Athletic Association welcomes you. We need you in all phases of sport life on the campus, as athletics are necessary for health as well as for affording pleasure. The different sports that are open to all—tennis, basketball, volley ball, push ball, hockey, baseball, track and hiking—will help you develop your physique, as well as school spirit.

The purpose of this association is to develop a high physical efficiency among the students at Meredith College, by encouraging an interest in gymnastic, hygienic, and athletic activities. So we urge you to sign up for some of these sports at the beginning of the year, and to help make Meredith Athletics a vital part of the College life. Your interest and effort will be repaid by more vitality and genuine pleasure, and you will help your class to win distinction. Upon your arrival, register, and then sign up for athletics.

Each class has teams of the various sports, and inter-class games are played for the championship. The winning team is awarded a loving cup. A schedule for these games will be arranged at a later date.

PHYSICAL EDUCATION

Students who are excused from physical education classes on account of physical disability shall be debarred from taking part in any athletics.

From the middle of October until May Day regular gymnasium exercises are required of all students except Seniors, for two hours each week.

Any girl who enjoys hiking is urged to walk for a monogram. Those who walk six hundred miles receive an "M"; five hundred miles, an "M. C."

In the coming year, 1929-30, we are hoping that all girls will take a more active interest in athletics than ever before, because in our new site there is ample room for many different sports, and we are hoping to make each rank with the best.

THE LITERARY SOCIETIES

The two literary societies offer a splendid field for individual activities and development along both literary and social lines.

The purpose of both the Astrotekton and Philaretian societies is to help students to combine academic work in a practical way with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

Each new girl may join the society of her choice, after having become acquainted with the activities and members of both societies. The keenest competition is in evidence until the date of choosing, which is some time before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls, and extend a cordial welcome and invitation to the class of '33.

PHILARETIAN SOCIETY

At the open door Philaretia stands,
The symbol of honor in shining array.
To you new girls, she extends her hands
She will help you along your way.

Let us, her daughters, welcome you.
Our purpose is to give you pleasure in life,
To find your talents and use them too,
To gain some joy out of the strife.

E'en now we love you thirty-three
You who will be our baby class;
We need you to strive in our home so free
To set a goal that others can't pass.

Behold, in shining raiment dressed
She stands; in silence bow,
High honor sits upon her breast;
A white flame blazes in her breast,
And stars upon her brow.

Look up and listen while she speaks,
In solemn tones and slow.
She points to radiant mountain peaks,
Where morn reveals her first grey streaks
To weary souls below.

She calls us to her house of light
Beneath her azure dome:
'Come, daughters, walk with me in white,
Above the glooming realms of night;
Build here your highland home.

'Let Virtue feed her vestal fire
Within each holy fane.
Let fearless Truth, with flaming ire,
Consume the breath of base desire,
And rule without a stain."

Lead on, O Philaretia fair,
Lead upward day by day,
Thy violet banner in the air,
Thy daughters all will highly dare!
Brave mother, lead the way.

ASTROTEKTON LITERARY SOCIETY

"He builds too low who builds beneath the stars."

The spirit of "Mother Astro" has infused a feeling of democracy, coöperation, and loyalty into the Astrotekton Literary Society, that makes every member strive to uphold its high standard, that of cultivating a keener appreciation for the art of combining the academic and social activities, on our campus, in a more enjoyable manner. Every meeting is prearranged and an interesting program—devoted to the expression of individual talent—is presented: the society also sponsors a number of lectures, literary contests, and social activities during the college year. To the prospective "new Astros," who are so soon to become a part of us, we extend a gracious welcome, and a cordial invitation that each of you will choose to "build among the stars" and, also, help to make the Commencement "Astro" line, longer than ever before.

ASTRO SONG

See thy children, Mother Astro,
Sisters of the gold and white,
Bow before thee in thy beauty,
Thankful for thy wondrous light.
Now we bring our girlhood treasures,
And we lay them at thy feet—
Waiting for thy benediction
And thy bidding, always sweet.

Astro, Mother Astro,
From the mountains to the sea,
Astro, Mother Astro,
We have come in love and gladness
To be led by thee.

Now we feel thy hands upon us,
Hands so loving and so strong
That the touch fills every daughter
With a purpose and a song.
Lift your heads, ye Astro maidens,
Look into her starlit eyes,
Then go forth to life and duty
With a zeal that never dies.

Astro, Mother Astro,
With a love that grows not old,
Astro, Mother Astro,
See us rally 'round thy banner,
Dear old white and gold.

STUDENT PUBLICATIONS

The Oak Leaves is the College annual, published by the Philaretian and Astrotekton Literary Societies. Unlike *The Acorn*, it is not essentially of a literary nature, but its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the Senior class is properly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

The Acorn is the literary publication of the College, published once a month by the Philare-

ian and Astrotekton Literary Societies. It is the product of the student body and represents the highest grade of literary ability of the students. Publication of work is not limited to any one department, correct, informative, and attractive English being the chief requirement. The work of any classmen or of any department is appreciated and published if it first reaches the standard expected of a college magazine. The purpose of *The Acorn* this year will be to make it read, liked, contributed to, and supported more widely and warmly than heretofore by the entire student body. *The Acorn* wishes to enlarge its vision and its circle of readers, at the same time adhering to a worthy literary standard. The chief means by which it is accomplishing this purpose is through membership in the North Carolina Collegiate Press Association, which is doing a fine and active work in promoting the journalistic and literary work of college publications. Each student receives *The Acorn* monthly after payment of the budget fee. It will be mailed to any address upon receipt of the subscription price and address, by the business manager. The members of the editorial staff are as follows:

<i>Editor</i>	ELEANOR COVINGTON
<i>Business Manager</i>	CORA FENDER
<i>Senior Associate</i>	RUTH PRESLAR

The Twig is the official organ of the student body of Meredith College, and is issued weekly. It has a three-fold purpose. First, to report the happenings of the student body; second, to reflect the opinion of the student body through its Editorial and Open Forum Columns; and third, to keep the Alumnae in closer touch with each other and with their Alma Mater through the Alumnae news column. *The Twig* is a member of the North Carolina Collegiate Press Association, and, through this medium, derives great benefit from its contact with other college papers. *The Twig* asks the co-operation of each member of the student body, and must have it if it is to prove a worthy college paper.

GLEE CLUB

The Meredith Glee Club was organized in the fall of 1919 and since has become an integral part of college life through its noteworthy success. It is composed of twenty of the best voices in the school. Students from all departments are eligible, as only academic requirements have to be met.

The Glee Club is directed by Prof. Frank Eyer, head of the Department of Music, and under his leadership is making rapid strides toward vocal perfection among themselves and greater musical appreciation among the student body as a whole.

THE INTERNATIONAL RELATIONS CLUB

The International Relations Club meets the need of the students for a more thorough study and discussion of international problems and relations of the present day. Any students who are taking elective courses in history are eligible for membership. The club meets once a month and has as its adviser Professor Wiley, head of the History Department.

The Classical Club was organized in September, 1921, to fill a long-felt need among the students especially interested in Latin and Greek. Its purpose is to supplement the work of the classroom, adding things of vital interest to those pursuing a classical education. In addition, it affords social life and fellowship among those having similar interests.

Students taking advanced work in Latin and those electing Greek are eligible for membership in the club. Other students, upon recommendation from teachers in the department, may be invited to become members also.

THE COLTON ENGLISH CLUB

The Colton English Club was organized in the fall of 1922. The object of this club, as stated in the Constitution, is to stimulate and cultivate interest in good written and spoken English and in the reading of good literature.

Membership is restricted to those electing English courses. Eligible students must apply for membership and their application must be

ved on by the club. During the year 1925-26 joint meetings with the N. C. State College Club were held monthly. By means of this co-operative plan speakers of note were secured and great pleasure and benefit derived.

(Officers to be elected at the beginning of the year.)

HOME ECONOMICS CLUB

The Home Economics Club is composed of those who are especially interested in Home Economics. All students who have taken or who are taking work in the Home Economics Department of the College are eligible for membership.

The object of this club is to stimulate interest in the study of Home Economics. It affords social life and fellowship among those having similar interests.

TOWN GIRLS CLUB

The Town Girls Club was organized in 1928 for the purpose of bringing the town girls into closer relation with the girls on the campus. It also provides a social room, known as the Town Girls Room, in which the girls gather when not in class. Every town student is a member of the club, and we extend a hearty welcome to the new girls.

Student Government Department

Student government means all the Meredith girls, with a real Meredith sense of honor, working together to make Meredith the best college possible.

The honor system is the basis of our policy. This means that in its application to the conduct of its members each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the faculty. As long as a student is a member of the association it is expected that she feel not only a personal responsibility in abiding by its laws, but a responsibility to the community, seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of cooperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the association is the real college spirit, and a loyal student spirit means not only a cooperating student organization, but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The student government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

Constitution

ARTICLE I

NAME

This association shall be called the Student Government Association of Meredith College.

ARTICLE II

OBJECT

The object of the association shall be the government of the student body.

MEMBERSHIP

Section 1. All resident students, upon registration at Meredith, shall automatically become members of the Student Government Association. Nonresident students are under immediate jurisdiction of the association, except in matters which are naturally under the control of their parents or guardians.

Sec. 2. Since each student in coming to Meredith accepts college citizenship involving self-government under the honor system, she assumes the following obligations:

1. To inform herself as to the academic and non-academic responsibilities which are matters of college honor.

2. To conform her own conduct to the Meredith standards of honor and to fulfill

her community duty by cooperating in holding others to those standards, as follows:

- a. By reporting herself for breach of conduct,
 - (1) In non-academic matters
 - (a) In dormitory—to house president.
 - (b) In all other cases—to president of student government.
 - (2) In academic matters to
 - (a) Instructor, or
 - (b) President of student government.
- b. By asking offenders to report themselves.
- c. By putting the matter before the proper authorities if the offender refuses to report herself.

Sec. 3. Every student within three weeks after the opening of the fall semester shall sign the following statement: "I have read the constitution, by-laws and regulations of the Student Government Association. I realize that I am on my honor to keep and enforce the rules of the association, and I pledge myself to observe the same and try to be a consistent member."

(c) The Executive Committee may, at its discretion, summon before it and reprimand any member or members of the association. The committee shall have the right to withdraw privileges from and to impose penalties upon any member or members of the association. These, however, shall be reported to the Advisory Committee before being put into effect. The penalties of demerits, suspension, and expulsion shall be subject to the approval of the faculty or a committee representing the faculty.

Student Regulations

The following regulations have been adopted to govern college life at Meredith because they embody recognized social obligations and standards and express the will of the majority as to rules under which they can best live together. Each member of the Student Government Association is therefore bound to uphold them as long as they stand. It is understood that the maintenance of these regulations is a matter of personal honor.

Students are under the college regulations from the time they reach Raleigh until they leave Raleigh, or until they have received permission from the dean of women to visit in the city at Christmas vacation or at the close of the session.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

Our Y. W. A. at Meredith

The Y. W. A. of Meredith College is just like the Y. W. A. of your home church, except that it works on a larger scale. This organization welcomes you to Meredith College wholeheartedly. She wants you to become a live part of her aims and ideals. Let your relationship to your college Y. W. A. be merely a transition step from the one you love in your home church.

The Y. W. A. wishes to help Meredith girls to be of greater service not only to the Baptists of North Carolina, who have so nobly made Meredith's past a blessing and are striving to make her future a greater blessing, but also to the people of the world. With the cooperation of every girl and with God as our Shepherd, this will not remain a longing, but will become a reality.

We have found the circle plan very effective, since it enables us to reach each girl and enlist her in definite work.

Each Sunday night, a Vesper Service is given under the auspices of the Y. W. A., with devotional and missionary programs. In-

teresting mission study classes are held at a convenient time during the year, and each girl is urged to take advantage of this opportunity.

For the past five years our Meredith Y. W. A. has attained the Standard of Excellence becoming an A-1 College Y. W. A. For 1930-'31 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

B. Y. P. U.

The purpose of the B. Y. P. U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B. Y. P. U. they are trained in devotion, doctrine, Bible study, and missions. Thus they come to a better understanding of denominational work, and go back to their work with added efficiency.

The General Assembly of the B. Y. P. U. Department meets at 6:45 each Wednesday night for fifteen minutes, after which each of the ten unions has its separate meeting for forty-five minutes. Thus each girl has a chance to grow individually in her own union, and yet, all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in active work for Jesus Christ and to strive to maintain the standard of excellence.

Foreign Service Band

The Foreign Service Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The band has two meetings each month, to discuss current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '34 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

Home Service Band

If you are planning to do Christian work of any kind in any place, we need you and you need us! We study and discuss every phase of religious activities in the Baptist denomination: Sunday School work, church work, work among foreigners and people of other races, work in the hospitals, mill districts, mountains and industrial centers; in fact, the preservation of lives and saving of souls of all people and in all conditions.

Besides the interesting programs, discussions, and an occasional talk from a speaker outside, we carry on practical work of social service among families in the county. This is of great help in training us for future work.

The band meets twice each month. At these meetings the problems of home mission work are taken up. No pledge is required of members.

We are eagerly awaiting the arrival of you new students and sincerely hope that many will join us in our researches and discussions. Come help us in our glorious task of bringing Christ into the lives of many of our own people who are yet unsaved!

“HINTS TO THE WISE”

Come early and avoid the rush.

The different religious organization on our campus unite in welcoming you to Meredith. Look out for Meredith B. S. U. badges at the station.

Notify authorities of college if you come on a night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, if you come on a night train.

Register as soon as possible after you arrive.

After you register, go to the Information Bureau for any information.

Those wearing the B. S. U. badges will gladly give you any assistance they can during the days of classification.

Writing materials and all such incidentals may be purchased at the "B-Hive."

Ask the former students any time. They are always anxious to help you.

Bring pillow, pillow cases, sheets, blankets, dresser and table covers with you. Your material for curtains had best be bought here, so you will have no trouble in fitting your windows. But this is not all. Every college girls wants an attractive room. So bring your sofa cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember that you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you are. Try to forget that you are lonely and do something for that other girl.

The official bulletin board and the B. S. U. bulletin board in the library building are important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is fair play."

The library is quiet for study. If you talk, it misses its purpose.

When you want to cook, go to the kitchenette on first floor in your dormitory.

Churches

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Disciples, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which she has a preference. The first two Sundays after school opens the students are allowed to visit different churches of their demoniation. After that they must fully decide what church they prefer to attend regularly.

The "B-Hive"

The "B-Hive" has a short but interesting story. In 1911 the Y. W. C. A. Store (called "Y Store") began its existence in a small box about two feet wide and four feet high. Among its limited goods were stationery, notebook paper, pencils, ink, and candy.

In 1915 the store was slightly enlarged and a few more articles were offered for sale, including cakes and a better grade of candy. A few years later the goods were removed to an even larger place—an old room near the porch of Old East Building.

Since January, 1926 (when the college was moved to its new site), the "Y Store" has made its home in the little red house back of the chapel. Its supplies have been enlarged until almost anything can be had, from ice cream and cold drinks to fountain pens and even sugar, cocoa, and soda.

In 1927 the supervision and profits changed from the hands of the Y. W. C. A. to those

of the B. S. U. (Baptist Student Union) and the name of the store was changed accordingly from "Y Store" to "B-Hive."

New girls, the Athletic Association welcomes you. We need you in all phases of sport life on the campus, as athletics is necessary for health as well as for pleasure. The purpose of this association is to develop a high physical efficiency among the students at Meredith College by encouraging an interest in gymnastics, hygiene, and athletic activities. So we urge you to sign up for some of these sports at the beginning of the year, and to help make Meredith athletics a vital part of the college life. Physical Education

Students who are excused from physical education classes on account of physical disability shall be debarred from taking part in any athletics.

From the middle of October until May Day regular gymnasium exercises are required of all students except Seniors, for two hours each week.

Any girl who enjoys hiking is urged to walk for a monogram. Those who walk six hundred miles receive an "M"; five hundred miles, an "M. C."

In the coming year, 1930-31, we are hoping that all girls will take a more active interest in athletics than ever before, because in our new site there is ample room for many different sports, and we are hoping to make each rank with the best.

The Literary Societies

The two literary societies offer a splendid field for individual activities and development along both literary and social lines.

The purpose of both the Astrotekton and Philaretian societies is to help students to combine academic work in a practical way with their social life, and to cultivate an interest in outside and current affairs. Society work offers excellent opportunity for self-expression and expansion.

Each new girl may join the society of her choice, after having become acquainted with the activities and members of both societies. The keenest competition is in evidence until the date of choosing, which is some time before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls, and extend a cordial welcome and invitation to the class of '34.

MARY BARBER, *Chief Marshal.*

Philaretian Society

To you, the new girls who come to Meredith this year, the spirit of Philaretia sends a welcome and—a challenge. The Philaretian Literary Society represents much. In her halls there is the light and laughter of friendship, the peace and quiet for those who dream. Here programs are enjoyed both by those who partake and those who look on. There are talks, lectures, literary contests. Here are get-together meetings where every one learns to understand and love every one else a little more. And over all there is the spirit of "Mother Phi."

You come to us, new girls, with hearts high with hope, and eyes lit with visions. May you catch the kindred spirit of "Mother Phi," and hear her as she calls you "to her house of light," see the goal to which she points, and walk with her—laughing joyously, singing exultantly:

"Lead on, O Philaretia fair,
Lead upward day by day,
Thy violet banner in the air,
Thy daughters all will highly dare,
Brave Mother, lead the way."

PHILARETIA

Behold, in shining raiment dressed
She stands, in silence bow,
High honor sits upon her breast;
A white flame blazes in her breast,
And stars upon her brow.

Look up and listen while she speaks,
In solemn tones and slow.
She points to radiant mountain peaks,
Where morn reveals her first grey streaks
To weary souls below.

She calls us to her house of light
Beneath her azure dome:
'Come, daughters, walk with me in white,
Above the glooming realms of night;
Build here your highland home.

"Let Virtue feed her vestal fire
Within each holy fane,
Let fearless Truth, with flaming ire,
Consume the breath of base desire,
And rule without a stain."

Lead on, O Philaretia fair,
Lead upward day by day,
Thy violet banner in the air,
Thy daughters all will highly dare!
Brave mother, lead the way.

Astrotekton Literary Society

"He builds too low who builds beneath the stars."

The spirit of "Mother Astro" has infused a feeling of democracy, cooperation, and loyalty into the Astrotekton Literary Society that makes every member strive to uphold its high standard, that of cultivating a keener appreciation for the art of combining the academic and social activities, on our campus, in a more enjoyable manner. Every meeting is prearranged and an interesting program—devoted to the expression of individual talent—is presented. The society also sponsors a number of lectures, literary contests, and social activities during the college year. To the prospective "new Astros," who are so soon to become a part of us, we extend a gracious welcome, and a cordial invitation that each of you will choose to "build among the stars" and, also, help to make the Commencement "Astro" line longer than ever before.

ASTRO SONG

See thy children, Mother Astro,
Sisters of the gold and white,
Bow before thee in thy beauty,
Thankful for thy wondrous light.
Now we bring our girlhood treasures,
And we lay them at thy feet—
Waiting for thy benediction
And thy bidding, always sweet.

Astro, Mother Astro,
From the mountains to the sea,
Astro, Mother Astro,
We have come in love and gladness
To be led by thee.

Now we feel thy hands upon us,
Hands so loving and so strong
That the touch fills every daughter
With a purpose and a song.
Lift your heads, ye Astro maidens,
Look into her starlit eyes,
Then go forth to life and duty
With a zeal that never dies.

Astro, Mother Astro,
With a love that grows not old,
Astro, Mother Astro,
See us rally 'round thy banner,
Dear old white and gold.

Student Publications

The *Oak Leaves* is the college annual, published by the Philaretian and Astrotekton literary societies. Its purpose is to represent every phase of college life, including all the classes, all college and student organizations and clubs, thus aiming to portray our life as it really is. Although each of these phases has its place, the senior class is properly accorded the most prominence.

Every girl receives the annual by paying the yearly budget. Anyone else desiring one should make the proper arrangements with the business manager.

The *Acorn* is the literary publication of the college, issued six times a year. The purpose of the *Acorn* this year will be to make it read, liked, contributed to and supported

more widely and warmly than heretofore by the entire student body. It is believed that this can be accomplished if the student body realizes that the *Acorn* is its own magazine. There are, of course, certain literary standards which are maintained, but we wish the contributions to the *Acorn* to be voluntary ones of those who have the urge to write.

The *Twig* is the official organ of the student body of Meredith College, and is issued weekly. It has a three-fold purpose. First, to report the happenings of the student body; second, to reflect the opinion of the student body through its editorial and open forum columns; and third, to keep the alumnae in closer touch with each other and with their alma mater through the alumnae news column. The *Twig* is a member of the North Carolina Collegiate Press Association, and, through this medium, derives great benefit from its contact with other college papers.

Alma Mater

lute thee, Alma Mater, we salute thee with
a song;
thy feet our loyal hearts their tribute lay;
had waited for thy coming, in the darkness
waited long,
the morning star proclaimed thy natal day.
hast come through tribulation, and thy robe
is clean and white!
thou art fairer than the summer in its bloom.
thou art born unto a kingdom, and thy crown
is all of light;
thou shalt smile away the shadow and the
gloom.
thy paths the fields shall blossom and the
desert shall rejoice.
the wilderness a living fountain spring;
the blind shall see thy beauty, and the deaf
shall hear thy voice,
and the silent tongues their high hosannas sing.
the rhododendron blushes on the burly
mountain's breast.
the midland where the wild deer love to
roam,
the water-lily slumbers while the cypress
guards its rest,
thy sunny land of promise and thy home.
the sons of Carolina taught a Nation to
be free,
and her daughters taught their brothers to be
brave;
a land of peaceful plenty, from the highlands
to the sea,
thy banner, Alma Mater, ever wave!

Student Government

Student government means all the Meredith girls, with a real Meredith sense of honor working together to make Meredith the best college possible.

The honor system is the basis of our policy. This means that in its application to the conduct of its members each girl is to be trusted to observe all the laws of the Student Government Association. These laws are made by the students themselves, and approved by the faculty. As long as a student is a member of the association it is expected that she feel not only a personal responsibility in abiding by its laws, but a responsibility to the community in seeing to it that her fellow-students live up to the same standard of honor.

It is only through the spirit of coöperation that any system of self-government can rise to an ideal plane of efficiency.

The spirit of the association is the real college spirit, and a loyal student spirit means not only a coöperating student organization but clean athletics, religious organizations, and working literary societies. The success of any organization in college depends on the attitude of the girls toward the Student Government Association. We must work together for the common good of all before we can work in groups in smaller organizations. The student government encourages loyalty to all organizations, promptness in all duties, and a spirit of love and friendship among the girls.

If any girl so conducts herself as to bring discredit upon Meredith, she may be dealt with by the Executive Committee, although there be no existing rule to cover the exact circumstances of the case.

LIBRARY REGULATIONS

During the college year the library is open daily, except Sundays, from 8:30 a.m. to 6:00 p.m., and 7:00 to 10:00 p.m.

Students may borrow general books for two weeks, or for a shorter period, determined by the demand for the book. At the expiration of two weeks books may be renewed for one week, provided that they are not needed by other persons. Any book may be recalled by the librarian when needed in the library.

Books must not be taken from the library until they have been charged at the desk. All books taken out of the library must be returned to one of the library assistants or left on the desk.

A fine of two cents per day will be charged for each day that a general book is kept out overtime.

Reserved books are books that are kept in the library for special classes. They may be taken out at 9:00 in the evening or as soon thereafter as they are not in use, and must be returned promptly when the library opens.

A fine of ten cents will be charged for each hour a reserved book is kept out overtime.

Fines not paid within a week from the date the fine list is posted will be increased ten per cent for each week the fine remains unpaid.

Students are not to go to the reserve shelves, but must call at the desk for books wanted. If they know that a book is reserved, they should call for it by the author and title of the book and name the course in which it is assigned: for example, Edman's *Human Traits*, Sociology. Only one reserve book may be taken to use in the room at one time. because we have so few books. A student must not keep

reserve book after she has finished using it. Someone may be waiting for it.

Two taps of the bell indicate that all reserve books are to be returned to the desk at once; three taps of the bell, that students are to leave the library. The bell is tapped three times five minutes before the end of the period preceding chapel; twice at fifteen minutes before closing time. This is done in order to get desks cleared before chapel and to get reserved books ready to go out at closing time.

Students found with missing library books in their possession will be subject to a penalty of two demerits for the first offense, and five demerits if the offense is repeated.

Students mutilating library books, magazines, papers, will be penalized by the faculty, on recommendation of the library committee.

Under no circumstances do proctors excuse students; therefore, such requests must be made of them. These requests must be made of the head proctor.

Under all ordinary conditions students practice at their regular time. If any student wishes to substitute some other hour, the permission of the head proctor must be ob-

tained before the change is made; *otherwise the absence will not be excused.* Practice may not begin before 6:45 a.m.

4. When students are given the privilege of making up practice, it must be made up and so reported within three days from the time it was missed. Otherwise it will go on the college record as unexcused.

5. All students taking as much as two hours of practice are required to attend the student recitals on Thursday afternoons; any other music student not having the equivalent of fifteen hours of work a week will be required to attend. An unexcused absence from recital will count as an absence from regular practice.

6. Every absence or tardiness should be explained to the head proctor at once. Unless so explained, after three days such delinquency will go on the college record as unexcused.

7. Three unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing from one to two hours a day.

Four unexcused absences from practice during any quarter causes loss of privileges for a month for those practicing three or more hours a day.

In all cases two tardies count as one absence; leaving practice rooms without permission for visiting or other purposes will count as a tardy.

Our Y. W. A. at Meredith

The Y. W. A. of Meredith College is just like
Y. W. A. of your home church, except that
works on a larger scale. This organization
comes you to Meredith College whole-
rtedly. She wants you to become a live
t of her aims and ideals. Let your rela-
ship to your college Y. W. A. be merely a
nsitional step from the one you love in your
ne church.

The Y. W. A. wishes to help Meredith girls
pe of greater service not only to the Baptists
North Carolina, who have so nobly made
redith's past a blessing and are striving to
ke her future a greater blessing, but also to
people of the world. With the coöperation
every girl and with God as our Shepherd,
s will not remain a longing, but will become
eality.

We have found the circle plan very effective,

since it enables us to reach each girl and enliven her in definite work.

Each Sunday night, a Vesper Service is given under the auspices of the Y. W. A., with devotional and missionary programs. Interesting mission study classes are held at a convenient time during the year, and each girl is urged to take advantage of this opportunity.

For five years our Meredith Y. W. A. has attained the Standard of Excellence, becoming an A-1 College Y. W. A. For 1931-32 our tasks are big and definite, our aims are high. We shall count on each Meredith girl to do her part in making their completion and realization possible. "He shall be our Shepherd and He shall lead us."

The purpose of the B. Y. P. U. is twofold: to minister to and develop the spiritual nature of the girls, and to train them for active service in their home churches. Through the B. Y. P. U. they are trained in devotion, doctrine, Bible study, and missions. Thus they come to a better understanding of denominational work, and go back to their individual work in the home church with added efficiency. The General Assembly of the B. Y. P. U. Department meets at 6:45 each Wednesday night for fifteen minutes, after which each of the ten unions has its separate meeting for forty-five minutes. Thus each girl has a chance to grow individually in her own union, and all are linked together in the general organization. The foremost aim of the organization is to enlist every girl on the campus in active work for Jesus Christ and to strive to maintain the standard of excellence.

Foreign Service Band

The Foreign Service Band consists of students who have decided definitely to do mission work in foreign fields, and have signed the dedication card of the Student Volunteer Movement, which reads as follows: "It is my purpose, if God permits, to become a foreign missionary." The movement, as the name implies, is limited to students, and to such students as are planning to do foreign mission work.

The band has two meetings each month, to discuss current mission news and problems. Occasionally an outside person speaks to the volunteers.

We are looking forward with real joy and hearts full of prayer to the arrival of the class of '34 at Meredith. Our supreme desire is that He, the Great Missionary, shall call many to carry His gospel to the uttermost parts of the earth, and that they shall answer: "Here am I, Lord, send me."

Home Service Band

If you are planning to do Christian work of any kind in any place, we need you and you need us! We study and discuss every phase of religious activities in the Baptist denomination: Sunday School work, church work, work among foreigners and people of other races, work in the hospitals, mill districts, mountains and industrial centers; in fact, the preservation of lives and saving of souls of all people and in all conditions.

esides the interesting programs, discussions, an occasional talk from a speaker outside, carry on practical work of social service among families in the county. This is of great value in training us for future work.

The band meets twice each month. At these meetings the problems of home mission work are taken up. No pledge is required of members. We are eagerly awaiting the arrival of you students and sincerely hope that many will join us in our researches and discussions. We help us in our glorious task of bringing the Gospel into the lives of many of our own people who are yet unsaved!

"HINTS TO THE WISE"

Come early and avoid the rush.

Cooperate with the different religious organizations on our campus. We will unite in welcoming you to Meredith. Look out for Meredith B. S. U. badges at the entrance.

Notify the authorities of college if you come on a night train, so that arrangements may be made for some one to meet you.

Listen for the call of the night watchman, and come on a night train.

Register as soon as possible after you arrive. After you register, go to the Information Bureau for any information.

Those wearing B. S. U. badges will gladly give you any assistance they can during the process of classification.

Writing materials and all such incidentals can be purchased at the "B-Hive."

Ask the former students any time. They always anxious to help you.

Bring pillow, pillow cases, sheets, blank dresser and table covers with you. Your material for curtains had best be bought here you will have no trouble in fitting your window. But this is not all. Every college girl wants an attractive room. So bring your soft cushions, pictures, mottoes, and all those little fixings which add so much to a room. Remember you will be here for nine months, and you certainly will enjoy life more in a cheerful room.

Somebody is more homesick than you. Try to forget that you are lonely and do something for that other girl.

The official bulletin board and the B. S. bulletin board in the library building are important. Watch them.

Remember to patronize the firms that advertise in our publications. "Turn about is play."

The library is quiet for study. If you let it miss its purpose.

When you want to cook, go to the kitchen on the first floor in your dormitory.

Churches

There are Baptist, Methodist, Presbyterian, Episcopal, Catholic, Christian, Disciples, and Lutheran churches in Raleigh. Every student is allowed to attend the church for which he has a preference. The first two Sundays after school opens the students are allowed to attend different churches of their denomination. A

ey must fully decide what church they
o attend regularly.

New girls, the Athletic Association wants you. We need you in all phases of sports on the campus, as athletics is necessary for health as well as for pleasure. The major sports are tennis, basketball, hockey, track and field, archery. Besides these we have volleyball, baseball, and soccer. The different sports are open to all and will help you develop your physique, as well as your school spirit.

The purpose of this association is to develop a high physical efficiency among the students of Meredith College by encouraging an interest in gymnastics, hygiene, and athletic activities. So we urge you to sign up for some sports at the beginning of the year, and help make Meredith athletics a vital part of college life. Your interest and effort will be repaid by more vitality and genuine pleasure, and you will help your class or college win distinction. Upon your arrival, register, then sign up for athletics.

Each class has teams of the various sports, and interclass games are played for the championship. The winning team is awarded a loving cup. A college team is picked to play intercollegiate games. A schedule of these games will be arranged at a later date.

PHYSICAL EDUCATION

Students who are excused from physical education classes on account of physical disability are debarred from taking part in any sports.

From the middle of October until May Day gymnasium exercises are required of students except Seniors, for two hours each week.

A girl who enjoys hiking is urged to walk a mile a day. Those who walk six hundred miles receive an "M"; five hundred miles, a "C."

In the coming year, 1931-32, we are hoping that girls will take a more active interest in athletics than ever before, because in our school there is ample room for many different sports, and we are hoping to make each girl do her best.

The Literary Societies

Two literary societies offer a splendid opportunity for individual activities and development along both literary and social lines.

The purpose of both the Philaretian and the Philaretian societies is to help students to do their academic work in a practical way, to improve their social life, and to cultivate an interest in outside and current affairs. Society offers excellent opportunity for self-expression and expansion.

Any new girl may join the society of her choice after having become acquainted with

the activities and members of both societies. The keenest competition is in evidence until the date of choosing, which is some time before the first of October.

Both societies are looking forward with pleasure to the coming of the new girls and extend a cordial welcome and invitation to the new class of '35.

The *Twig* is the official organ of the body of Meredith College, and is issued monthly. It has a threefold purpose: to report the happenings of the student body; second, to reflect the opinion of the student body through its editorial and open forum columns; and third, to keep the alumnae news column.

The *Twig* is a member of the North Carolina Collegiate Press Association, and through this medium, derives great benefit from its association with other college papers. The *Twig* needs the coöperation of each member of the student body and must have it if it is to prove a credit to Meredith college paper and a credit to Meredith.

Kappa Nu Sigma Society

Kappa Nu Sigma Society of Meredith was organized for the purpose of promoting high scholarship in the work of the college. New members are elected on that basis after three years of work at Meredith.

Alma Mater

We salute thee, Alma Mater, we salute
with a song;

At thy feet our loyal hearts their tribute
We had waited for thy coming, in the day
waited long,

Ere the morning star proclaimed thy name,
Thou hast come through tribulation, and
robe is clean and white!

Thou art fairer than the summer in its
Thou art born unto a kingdom, and thy
is all of light;

Thou shalt smile away the shadow and
gloom.

In thy paths the fields shall blossom and
desert shall rejoice.

In the wilderness a living fountain springs
For the blind shall see thy beauty, and the
shall hear thy voice,

And the silent tongues their high hymns
sing.

Where the rhododendron blushes on the
mountain's breast.

In the midland where the wild deer
roam,

Where the water-lily slumbers while the
guards its rest,

Lo! thy sunny land of promise and truth

Where the sons of Carolina taught a Nation

And her daughters taught their brothers

O'er a land of peaceful plenty, from the

May thy banner, Alma Mater, ever wave

You're the queen of our hearts, Alma Mater,
You hold a place that no other can fill.
This year, in passing, has bound us
And draws us closer still.

Of our dear college years,

Meredith, Meredith

Meredith, Meredith, college that we'll love
Forever always,
Meredith, Meredith, we'll honor all our days.
Every day that dawns and sets we see
In a greater magnify,
Now we give, what we owe,
Our hearts to Meredith.
Meredith, Meredith, within your doors, we treas-
ures find,
Our hope, pleasures new, many friends and
kind.
Guide for us our wandering steps of youth
From darkest error to the truth,
Now we give, what we owe,
Our hearts to Meredith.
Meredith, Meredith, we will do the best we can
To hold, spotless white, your honor to the
land.
Give the very best that's in us to
Our dear Alma Mater true,
We'll live all our days
